Approve September meeting minutes. -- 5 min

## COURSE PROPOSALS -- 10 min

### New Course Proposals

#### **Mathematics 606:**

Mathematical Methods for Structural Biology, 3 credits

**Lead: Bednarek**

#### **Mathematics 609:**

Research Mentor Training Seminar, 3 credits

**Lead: Bednarek**

(Mathematics 609 was initially proposed as Mathematics 607, which was a pre-existing course. The supporting documentation may mistakenly use the 607 number.)

*The Math courses listed above have been approved by L&S Curriculum Committee and are being reviewed for cross-list status with Biochemistry.*

## NEW BUSINESS -- 15 min

Life Sciences Communication:

Request to create a Ph.D. minor (Option A) – *attachment*

**Lead: Scheufele**
